

Prayer for her

GRATITUDE

Heavenly Father, as I navigate thru the tapestry of life, open my eyes to always be aware of your presence and Your blessed gifts. Help me to recognize the miracles that surround me, joy in the small moments, and solace in the quiet ones

May my spirit overflow with thankfulness, even in times of challenge and uncertainty. From the warmth and beauty of the sun, to the love of family and friends, may I carry an attitude of gratitude in all that I do.

Guide me to share my gratitude through my actions and words, spreading positivity and light wherever I go. Let my words uplift and inspire, and my actions reflect love, kindness and compassion.

With gratitude and humility I embrace each blessed day. Fill my soul with Your grace, my spirit with unwavering faith, and a heart brimming with joy and happiness.

In Your Divine Name I Pray, Amen.
