# Strawberry White Chocolate Drizzled Popcorn

## Poppin' Yummy Fun

The delightful blend of sweet and salty flavors, complemented by the rich strawberry and smooth white chocolate drizzle, is sure to bring joy to all your gal pals. 

## Ingredients:

**Love love playing with flavors.**

**Here's a flavor with Strawberry drink mix.**

- Premade lightly salted popcorn. Store bought or make your own.
- Ghirardelli vanilla flavored white chocolate melting wafers.
- Nestlé quick strawberry drink mix.
- Red or pink food coloring.
- Heart marshmallows.
- Fun lollipops.

## How To Make:

- Line a tray with parchment paper and sprinkle a layer of popcorn.

### Making the DRIZZLE

- Follow directions for melting vanilla wafers on the package. Add a heaping teaspoon of strawberry drink mix to every cup of melted wafers. Stir and add red or pink food coloring to desired color.
- Drizzle over the layer of popcorn. The amount is up to you.
- Dust with the strawberry drink mix.
- Chill in the refrigerator for 10 minutes or until the drizzle hardens.
- **Note:** the drizzle will be soft, not hard.
- Garnish as you like.
