

her prayer time - jeremiah 29:11

**In quiet moments of prayer she embraces new seasons.**

Do you see the beauty in each new chapter of your story?

**Each new season prayer is filled with gratitude.**

What praise in this new season do you give to Jesus?

---

**Replaced by a profound sense of peace and love ...** 

Do you recognize the blessings that come from both trials and triumphs?  
If not, why? (Pray for Jesus to help you see the blessings in your story.)
