- Home Computer & Printer
- Avery Blank 2" Round Sticker Sheets or a label/sticker maker if you have one.
- Bible Verses, quotes, etc. - 6 different verses work great but you can do more.

- K-Cup Pods in any flavor.
- Your own design and creativity!

Note: Tea and hot cocoa are good flavors that are enjoyable for coffee and non-coffee drinkers.

No Keurig: Hot Cocoa pods work well for non-keurig owners. These pods can be cut open and poured into hot milk, water, etc.
